em G D em
as flesh and blood 'cause they become cartoons

I've seen a saber toothed hound chase a scary clown around
em G D F G
a walking talking algebra equation

the piano plays itself, bottles dance upon the shelf

While the cartoons chant a creepy cantillation
em G D em
yes the cartoons chant a creepy cantillation

some of you are new, just arrived tonight,
By noon us cartoons and this saloon will disappear
to return every new moon night of our lives and
B7
