Lyrics and Music © 2014 R.W. Singer

am

You don't wanna go

am

We're heading up the mountain as a wicked storm is brewing

I must confess we must be nuts to do what we're doing

dm

Driving jeeps 'round jagged peaks, hair standing on our skin

am

Two miles above the ocean where the air is scary thin

E E7

The mountain peaks, evergreen and rivers are enthralling

am

But we're too deep in the wilderness for doctors come calling,

am

So we gotta be wise and we gotta beware

'cause there are rockslides in these Rockies, mtn lions and bears *You don't wanna go*

dm

But the very best reasons for us all to stick together,

am

in addition to the beasts, avalanches, and weather *You don't wanna go*

E E7

are the ghosts of snowed-in silver miners lurking all around

am

Animas Forks the haunted mountain ghost town *You don't wanna go*

am

Going to a ghost town, *on a stormy night,*

Yeah we're going to a ghost town, *not a star in sight*

dm

We're all going there 'cause we love to be scared

E E7

We're heading up to where it all went down!

am

Going to a ghost town, *gonna stay the night*

E am

Yeah we're going to a ghost town, *I think we'll be alright*

am

In 1884 a blizzard hit the mining town and
a slab of snow broke loose from the side of Snake Tooth Mountain
dm

it burried every building in the village without warning

am

not a single silver miner made it to the mine that morning

E E7

they all went up the mountain but never came down from

am

Animas Forks the haunted mountain ghost town

am

Going to a ghost town, *on a stormy night,*

yea we're going to a ghost town, *not a star in sight*

dm

We're all going there 'cause we love to be scared

E E7

We're heading up to where it all went down!

am

Going to a ghost town, *gonna stay the night*

E am

yea we're going to a ghost town, *I hope we'll be alright*
